GET STARTED

## What You Get?

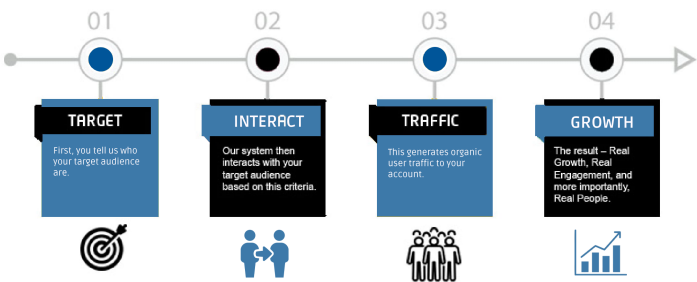

With Team Pakish, there is no doubt that our system will grow your audience daily. With our unique marketing techniques and genuine growth strategies, your Instagram account will get the exposure it needs to generate organic and active followers.

## Set It And Forget It

Setting up your campaign is easy. No setup fees, no downloads and no complicated settings. Then it's hands off. Your dedicated account manager does all the hard work for you updating you with your results along the way.

Trusted by 2000+ Individual, Businesses & Brands

## How It Works

## Who We Are

Team **PAKISH** are a team of social media marketing specialists and Facebook experts based in Dubai, UK and Pakistan. We assist our clients in boosting their social media presence on Facebook.

## Advanced Targeting

Team **PAKISH** allows you to target any type of user from any industry. We work with; start-up businesses, small brands and individual profiles, to established influencers and large brand names. Our service helps you to build brand loyalty, expand your network, and maintain a healthy and active Facebook account for the future.

### Competitors

Tell us who your Competitors are and we will target their Followers.

### Hashtags

Use Hashtags and other core metrics to engage with users that want what you have to offer.

### Locations

Target by countries, cities, street names, or other area-based Location metrics for increased efficiency.

### Quick Results

We don't waste any-time. Our clients notice results within hours of starting our service.
